SUBJ: **PRESS RELEASE by Sheriff Joe Lester**

CCSO detectives investigate auto burglaries at Slaughterville Town Hall

Cleveland County sheriff's detectives need the public's help identifying a man who was seen using a credit card taken during an automobile burglary reported at Slaughterville Town Hall earlier this month.

Three vehicles were burglarized between 7 and 8:30 p.m. Oct. 9, during a gathering at the Town Hall, 10701 US 77. Thieves took an ignition key, checkbook, laptop computer, \$200, clothes, eye glass case and credit card from the vehicles.

A security camera at a Norman convenience store captured a man using the credit card later that evening. The video recorded the man exiting a silver colored Dodge sport utility vehicle before he entered the store.

The man is described as a white male between 30 and 45 years old. The card was also used at three other stores in Norman.

Investigators said the man weighed between 170 and 220 pounds. He stood between 5 feet and 8 inches and 6 feet and 2 inches tall.

Detectives believe the man has black, possibly dark brown hair with mustache and facial beard.

Investigators ask that anyone who has information about the burglaries or man seen in the security camera to please call the Cleveland County Sheriff's Office at (405) 701-8888 or the CCSO Tip Line at (405) 701-8870.
